#### TAKING AWAY LABORERS; PETITIONS FOR PARDONS

(Special to The Times-Dispatch.)

SALISBURY, N. C., September 15.—Contractors in and around Salisbury have been considerably concerned lately about the matter of labor having been interfered with to some extent by labor agents from other States, who are employing all the negroes obtainable at a price of \$1.75 per day, and paying all transportation to Philadolphia and other Northern points. The price offered the negroes is from diffy to seventy-live cents per day in excess of the prices paid by the contractors in this section.

The labor agents have also been operating at High Point and other places in this section. (Special to The Times-Dispatch.)

A petition asking for the pardon of Thomas J. and Chalmers L. White, who, two years ago to-day, shot and silled Russell Sheryill, at Mt. Ulla, Rowan county, is being largely circulated and freely signed in Cabarrus county, the home of the Whites. The brothers were convicted in Rowan Superior Court one year, and it is learned that a similar perition will be circulated in this county. The Whites are now serving a sentence of six years each.

# RIGIDLY REGULATE DANVILLE SALOONS

The City Council Has More Dry Than Wet Members.

(Special to The Times-Dispatch.) DANVILLE, VA., September 15.-No contest has as yet been filed by the dry faction over the wet and dry election, which was held here yesterday. The conservative leaders of the drys take their defeat gracefully. Others, however, are considering the advisability of filling a contest. High license will probably prevail, although no definite steps have yet been taken in that direction. The saloons will most likely be placed under rigid restrictions. The abolishing of screens, pool-rooms and bowling alleys is being strongly advocated.

The City Council which will have in charge the regulation of the saloon is composed of a majority of dry men. dry faction over the wet and dry elec

### TRADE CONDITIONS.

(By Associated Press.)

NEW YORK, September 15.—Bradstreet's to-morrow will say.

Trade and industry continue remarkably active in nearly all lines. Fall distribution is in full swing and in portions of the West is of unprecedented volume. Interior merchants are still greatly in evidence in many primary markets; three-fourths of the corn crop is out of danger of frost; from and steel are in exceptionally good demand, with outputs heavily sold ahead and with prices tending upward, and building material is apparently as active as at any preceding teriod this year. Lahor seems to be very well employed; though a few strikes, notably in the printing and building trades, disturb the otherwise very quiet appearance of the industrial situation. Only at the South and there only because of fever quarantines and not owing to real lack of business, is there any appearance of an irregularity of damand. At New York dry goods business is less than a year age, but spring sales of dress
